

Iterate through associative arrays

```
const person = {  
  fname: "Alice",  
  lname: "Alicson",  
  age: 30  
};
```

```
for (let k in person) {...}
```

```
for (let k of Object.keys(person)) {...}
```

```
for (let v of Object.values(person)) {...}
```

```
for (const [k, v] of Object.entries(person)) {...}
```
